

Declaration of Performance

120036/47/14

1. Unique identification code of the product:

DIN EN 13963-4B

2. Type, batch or serial number or other indicator for the identification of the construction product according to Article 11 (4):

[KRONE Primofill]

3. Use as foreseen by the manufacturer or foreseen uses of the construction product according to the applicable harmonised technical specification:

Joint filling compound for filling joints between gypsum boards

4. Name, registered trade name or registered label and contact address of the manufacturer according to Article 11 (5):

**Hilliges GmbH & Co. KG, Hüttenweg 1, 37520 Osterode- Katzenstein
Tel.: +495522-9909-0, Fax: +495522-9909-90,
E-Mail: info@krone-gips.de**

6. System or systems for the assessment and verification of constancy of performance of the construction product according to Appendix V:

System 3

7. In case of a Declaration of Performance concerning a construction product covered by a harmonised standard:

Allocation of tasks for the purpose of conformity assessments according to table Za.3a in appendix ZA of DIN EN 13963.

Tasks of third parties (task for the notified body): Initial type-testing of fire behaviour

Notified body: MPA- Braunschweig 0761

Initial type- test of the product (except fire behaviour) and in-house production control by the manufacturer.

9. Declared performance

Essential characteristics	Performance	Harmonised technical specification
Fire behaviour	A1	DIN EN 13963:2014
Flexural strength	NPD	DIN EN 13963:2014
Hazardous substances	NPD	DIN EN 13963:2014

When the Specific Technical Documentation has been used as provided for in Article 37 or 38, then those represent requirements which the product fulfils.

10. The performance of the product as provided for under Point 1 and 2, is identical with the declared performance under Point 9.
The responsibility for the compilation of this Declaration of Performance lies solely with the manufacturer under Point 4.

Signed for the manufacturer and in the name of the manufacturer by:

Plant Manager
